### Product

#### Cap and max illustrated rates to be increased for IUL products

As of January 21, cap and max illustrated rates will be increased across all our new business Index Universal Life products. These adjustments will help us deliver even more compelling value for our customers and distribution partners.

**Bulletin 23004**

### Compliance

#### Producer Sales Practices Manual updated

As a part of the annual revision process, the Producer Sales Practices Manual has been updated. See the bulletin for highlights of the updates, and review the manual for complete details.
